ADRIELLE Q. ESTACIO

BS Information Technology Student | IT Internship Applicant

Address: Magalang, Pampanga
Email: adrielleestacio00@gmail.com
Phone: 0906 091 5912

OBJECTIVE

Information Technology student at Pampanga State Agricultural University seeking an IT internship in software or web development. Hands-on with JavaScript, TypeScript, Python, Java, and SQL, with experience in frameworks such as Node.js, Django, FastAPI, and Spring Boot. Currently co-developing HabitAI, an AI-powered habit-tracking web app, as a capstone project, handling deployment with Docker and GitHub Actions. Eager to contribute to a development team while building professional experience.

PROJECT EXPERIENCE

Deployment and DevOps, HabitAI: AI-Powered Habit Tracker *(Capstone Project)*
Group Project | Pampanga State Agricultural University

- Co-developing a progressive web app (PWA) that helps users build habits through habit management, progress tracking, and AI-generated personalized insights.
- Handled system deployment, using Docker for containerization and GitHub Actions for automated builds and deployment.
- Managed source code and team collaboration with Git and GitHub.
- Tested the app on Android using Android Studio, with development in Visual Studio Code.
- Co-wrote the capstone paper (Chapters 1–4); the proposal was approved by the panel.
- Prepared the system evaluation involving 15 faculty respondents.
- **Tools:** Docker, GitHub Actions, Git, GitHub, Android Studio, Visual Studio Code
